#### WHAT IS PORTFOLIO ASSESSMENT?

Portfolio Assessment allows students to demonstrate mastery of college-level learning by documenting work/life experience related to a specific discipline. Students will learn how to design an effective portfolio, leverage examples of their prior work / study / life projects, and construct narratives that demonstrate their grasp of college-level learning.

- TESU's new Portfolio Course, PLA 101, gives participants 3 credits for the course itself and up to 12 credits of Portfolio-Assessed Learning.
- Students enrolling in PLA 101 are considered non-matriculated students and will not receive any messaging unrelated to their Portfolio Assessment Project.
- PLA 101 is completed entirely online.
- **Zero out-of-pocket expense to 100 students - 100% Grant Funded.**
